

[illegible]

The architectural site plan shows the layout of the 'CASA DI S. GIUSEPPE' and its surrounding environment. The plan includes the following details:

- Building Layout:** The main building is shown with a red hatched roof area. The central courtyard is labeled 'c.a. 257.30'. The lower section of the building has a red hatched roof area.
- Dimensions:** Various dimensions are provided for the building and its features, including 5.75, 5.04, 2.86, 1.50, 1.81, 5.15, 1.84, 2.30, 0.50, 0.98, 5.08, and 2.24.
- Elevations:** Elevation points are marked with 'q.f.' (quadrante) and 'x' (crosshair) symbols. Key elevations include 258.85, 257.254, 257.439, 261.574, 262.338, 262.371, 262.522, 262.7, 261.751, 261.751, 263.790, and 264.
- Interventions:** The plan indicates 'CAVO DIOTTI' (cable) and 'TOMBOTTO' (tomb) interventions. The 'TOMBOTTO' is located at the bottom center of the plan, with dimensions 'dim. 4.00x2.50 m'.
- Surrounding Environment:** The plan shows the building's location relative to the 'S. GIUSEPPE' area, with a 'S. GIUSEPPE' label at the top left. The terrain is shown with green hatching and a blue line indicating a boundary or path.

[illegible]

Technical drawing of a building section showing the removal of a parapet and partial demolition of the roof structure. The drawing includes dimensions: 1.00, 3.45, 1.00, and 4.00. Labels indicate "Dismantling partial underneath in masonry" and "Removal of parapet". A horizontal force H is shown acting on the roof edge.
